

Certificate of constancy of performance

0840-CPR-1290-211110-09

In compliance with Regulation (EU) No 305/2011 of the European Parliament and of the Council of 9 March 2011 (Construction Products Regulation), this certificate applies to the construction product

Portland-slag cement
EN 197-1 – CEM II/A-S 52,5 R (ft)¹⁾

produced by

Dyckerhoff GmbH
Werk Neuwied
Rheinstr. 159, D-56564 Neuwied.

This certificate was issued by the notified certification body

VDZ Service GmbH

and attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in Annex ZA of the standard

EN 197-1: 2011

under system 1+ are applied and that the cement fulfils all the prescribed requirements.

This certificate was first issued on 30.06.2009. It is valid until 31.01.2022, however only as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly.

¹⁾ The additional indication in parentheses following the standard designation distinguishes this cement from other cements produced in this factory which bear the same standard designation.
